Welcome/ Introductions
Welcomed was giving by Celia Alejo, ELAC President and Alma asked Parent to introduce themselves

Principal's Report:

*Principal, Debi Richarson Talked about the Aeries Program and mentioned how important is that parents open their own Aeries Account and be able to review their child grades and check how are they doing in school.

Also, the principal talked about Title 1 funds are used to low income and disadvantages families as foster and homeless. Funds are used to provide resources to families like Pique is one of the programs that is paid with Funds of Title 1.

Mrs. Ricarson talked about the academic's goals of prior year 2017/2018. Also, talked about the test CASP that is taken on spring which did not show any increase of 5% as expected. Showing students with special needs score lower. After showing the results were traced new goals and discuss how to help school with our children do better results next spring taking the CASP test.

*It was mentioned about the students perfil at the District vision that has in placed across the District to graduate eight graders. All eight graders need to be ready to take Algebra in eighth grade.

*Communicator /Comunicador

*Critical thinker/pensador Critico

*Collaborator / Colaborador

*Conscientious learner/ Aprendiz concioso

*Culturally competent /competente culturalmente

*Character / Carácter

Ms. Richarson talked about a new group of students named BSA. These are student's ambassadors that speak two languages in the school and can help parents during events or activities in school using their ability to manage two languages.

Meeting closed 7:25 pm
