Presentación especial: Oficial de Recursos de la escuela - Antonio Rodriguez -

Que es el programa de Recursos? Qué son las metas del programa ? La meta es para el him to speak with the students so that they develop positive feelings towards the police. He is here to serve the community. The office explained the relationship between police and ICE. He can talk to students and parents about drugs, gangs, vaping, etc. He is splitting time between Novato High School and SJMS. He can come here when we need him. The officer answered questions from the parents. He explained that students can be suspended for smoking or vaping. There was a brief discussion about Restorative Justice. The officer said that middle school is a time when students will try smoking and maybe drugs. Parents are very interested in learning more about

1. vaping
2. using social media
3. bullying

The officer explained the program for trips to San Quentin.

Special Presentation: Shelly Thelen - 8th grade math teacher

How to help your student... What do learning targets mean? How can parents check student homework?
